Tena koutou katoa – just a brief panui to thank you all so much for an interesting informative and respectful presentation from you all on your Party's policies and plans for Aotearoa/NZ

It was really gratifying to be with a group who acknowledged areas of agreement with other parties and avoided any personal comments .

Thankyou all , especially those of you who travelled considerable distances to participate, for ensuring that people in our community can make informed choices and that democracy can thrive

We wish you well in your ongoing campaigns
