Excellent!
We look forward to it!
Tim

Hi again

Forgot to say please put both the Future Development Strategy (FDS) and Annual Plan on the agenda.
Presentation on the FDS, Annual Plan will just be a discussion

Thanks
Jacqui

Jacqui,

I've copied Marion on this message also.

I would encourage you to perhaps move one of your other bookings so you can make the MDCA meeting on April 8.
I believe you will have a greater turnout if you can present at our regular April 8 monthly meeting vs. organizing a separate meeting.

Note that Megan Grove-Roberts is in charge of the Mapua Hall hire.
You can reach her at:

Subject: FW: Mapua Community Association - Future Development Strategy Meeting

Hello again Mary

Sorry looking at the calendar we won't be able to do the 8th April for the FDS as we have two that day and have to be in Golden Bay the following morning! We'll have to try and arrange a separate public drop in session in Mapua for the FDS.

Staff can however still attend to talk about the Annual plan on 8th April.

Are you the contact for the village hall hire?

Thanks

Jacqui

Subject: Mapua Community Association - Future Development Strategy Meeting

Dear Mary

I am the growth co-ordinator at TDC and we are undertaking public consultation on the Nelson-Tasman Future Development Strategy (FDS) between April 8th and May 6th.

As part of the consultation we would like to attend one of your meetings within this timeframe and explain a little more about it, as well as holding a public drop in session before or after if that is possible? Staff can also explain about the Annual Plan at the same meeting.

I see that you have a meeting on 8th April at 7.00pm - could you confirm whether this would be possible? I think there is another Community Association holding a meeting on the same day, so we would need to see whether we can manage both.

Do you think there would be scope to have the public drop in session on the FDS at the village hall as well?

I look forward to hearing from you

Regards

Jacqui
