Good afternoon all,

I hope you are managing some time to enjoy this amazing weather we have finally started to get.

I have forwarded you a request I sent to Pam Meadows last week requesting an extension for MDCA to prepare a submission for the Proposed Plan Change 73.

This came at very short notice and over the holiday period. Our first General meeting is not until the 8th February with the submissions closing on the 9th Feb. It is not possible for MDCA to prepare a submission in this short space of time having only been notified on the 18th January.

I would appreciate it if one of you can follow this up with Pam and get back to me please.

Thanks heaps

Marion Satherley

Good evening Pam,

Thank you for notifying MDCA of the Resource Management Plan - Proposed Change 73.

MDCA had its first Executive meeting for 2021 tonight and when discussing this Proposed Change it was felt that receiving notification on the 18th January with submissions closing on the 9th February was insufficient time for MDCA to respond thoughtfully.

MDCA therefore request that we be given an extension for our submission to be lodged until the end of February to enable the Executive Committee to undertake the necessary research; consult our members; and prepare a submission that reflects our members wishes.

It would also be helpful if you could send us the documents that related directly to the areas that impact Mapua and Districts.

Kind Regards

Marion Satherley
