Good evening Pam,

Thank you for notifying MDCA of the Resource Management Plan - Proposed Change 73.

MDCA had its first Executive meeting for 2021 tonight and when discussing this Proposed Change it was felt that receiving notification on the 18th January with submissions closing on the 9th February was insufficient time for MDCA to respond thoughtfully.

MDCA therefore request that we be given an extension for our submission to be lodged until the end of February to enable the Executive Committee to undertake the necessary research; consult our members; and prepare a submission that reflects our members wishes.

It would also be helpful if you could send us the documents that related directly to the areas that impact Mapua and Districts.

Kind Regards

Marion Satherley

MDCA Chair
