

Report on Community Wellbeing Projects for April Exec 2021 meeting

Elena Meredith

Māpua Willing Wheels :

- Draft Risk Management & Business Plans drawn up for consideration
- Further Community business sponsors being sought to support publicity/communication(phone)
- New contract ; MOU now approved and signed by NTCTT MDCA ; Contract signed by Rachel; MDCA & NTCTT
- Exploring ways of co-operating and sharing costs with Motueka Coastal Community Bus Service including joint publicity (flyers)
- Updated Power-point presentation now available to support presentations to community groups and other funding organizations

Māpua Community Hub :

- MC Hub working group and MC Wellbeing Trust looking to formalize accountability and reporting processes and agreements prior to any legal agreements or funding applications being entered into or made in relation to the building
- online community directory – can MDCA explore the options of this currently being housed on the MDCA Website – will attract further “traffic” to the website and augment community organizations section in the MDCA Directory . Bruno will speak to this proposal and bring a quote to the meeting
- Strategic planning meeting planned to finalize strategic plan and develop business plan for this year contingent upon MOU & Lease between Trust and HCC being agreed up (meeting in May to do so)
