Hello Neighbourhood Supporters, group contacts and residents, the latest report follows, for sharing with your neighbours.

Hi all

Great to get some decent rain over the weekend.

With wet weather we need to drive to the conditions. One person didn't in Riwaka and lost control of their car and spun 180 degrees, they are being charged with careless driving. This could easily have been an accident where an innocent driver coming the other way was hit.

I biked through the Lewis Pass last week and there were 2 cars off the road, one certainly looked like it had been excessive speed before a sharp corner.

The laws of physics will always win regardless of what type of vehicle you are driving and how good a driver you are....it is simple , if you go too fast you will lose control.

Last week there was a burglary at Pomona Road Ruby Bay. A Stihl 0661 chainsaw and a log splitter were stolen. The log splitter is a rust metal colour with a Nissan motor.

There was also a theft from a car parked in Bennett Street. Computer equipment was stolen.

We also dealt with 2 drink drivers both of whom were almost 3 times over the legal limit.

There were 2 vehicle accidents.

Take care out there
