Hi Jacqui,

Thank you for following this up. Yes, I was aware of the FDS, however I thought this document was still being finalised and therefore not part of, or incorporated into TDC policies as yet. Whereas the Mapua Structure Plan was finalised in 2010 and therefore one would assume it would currently be included within TDC policies. Please correct me if I've got this wrong.

It's great that MDCA and our residents will have another look at the FDS in July. I look forward to this engagement.

Regards Marion

Hi Marion

I was present for your & Paul's presentation today, thanks for that.

I just wanted to check taht the working group is familiar with the Future Development Strategy (FDS) and its proposals for Mapua, as I didn't hear mention of that?

Please see:

[Future Development Strategy FDS | Tasman District Council](#)

We are in fact going to be reviewing the FDS from July this year, so I will be in touch again soon anyway

Regards

Jacqui
