Good afternoon Bridget,

Rose has suggested I contact you as the communications person for the Kia Collective.

MDCA through its facebook page work to recognise deserving individuals or groups of individuals who go above and beyond for our community. This month we would like to acknowledge the work the Kia Collective does for members of our community.

Could I please ask you whether you would be willing to put together a brief history of how Kia Collective began followed by how many are involved, what you do, and where the produce of the service can be obtained, and how people might be able to help out. If you have a picture or logo would be great also.

I really appreciate the work the group of willing helpers provide for those who might need a helping hand. An act of true community spirit.

Any information you are willing to share will be much appreciated. Please respond by return email.

Kind Regards

Marion Satherley

MDCA Chair
