Hello to Neighbourhood Support Group Contacts, residents, and schools, the latest update from Community Constable Grant Heney follows.

**NB: This is not for publication on any social media site.**

Hi all

There have been a spate of vehicle crashes in the last week. 2 up the Motueka Valley, and one in Lower Moutere where cars collided at a one lane bridge.

Sounds like one driver just thought the one lane bridge was clear because a vehicle has just crossed in front on them...but in the meantime a car coming the other way started to cross.

Make sure you actually visually see that the way is clear on one lane bridges.

I personally had a driver fail to give way to me in my private vehicle at a High Street intersection just because they got impatient waiting for traffic – luckily I hadn't got much speed up as I was crossing and could brake.

Silly mistakes like these cause accidents so make sure you are alert when driving.

Occurrences for this week -

3 vehicle accidents

Plants stolen from Lower Moutere premises

Shed broken into Motueka Valley

Lawn mower and weed eater stolen from Motueka High School

Diamond back mountain bike Red stolen from Motueka High School.

8 x family harm incidents

1 x drink driver

Take care out there
