Hi all. Good to get some rain this week

Pleased to be able to report not much crime this week.

Shame there have been 2 drink drivers caught

A bike was stolen from in front of the Salvation army and was located further down Greenwood Street. I have seen several unlocked bikes at supermarkets recently and an e-bike was left unlocked out in front of a hotel and that was stolen. Luckily the town security cameras helped identify that offender and we got the e-bike back. If you have a bike you need to secure it even if just ducking into a shop – there are many opportunist thieves around.

There was a recent theft from a car in Mapua and some of the stolen property may have been found by the Richmond police but because no serial numbers were kept the police can't prove it is the stolen property. This is very frustrating and disappointing. It is a great idea to go through your TV's, cellphones, laptops etc and record serial numbers

Also this week we have dealt with mentally unwell people and 6 family harm incidents

Keep safe out there

Grant Heney

Community Constable
