Good afternoon Pania,

Thank you for your email. I apologise for the delay in replying, I have only just come across your email.

Yes we are undertaking a Mapua Memories project. I have copied Mike Kininmonth into this reply as he is guiding the interview process.

It would be great to catch up over a hot drink to share notes. If you let me know when you are available and I will see if both Mike and I can arrange a time that suits you.

Kind Regards

Marion Satherley

This week I heard that the Mapua Community Association is working on an oral history project, led by Marion Satherley. As I am currently working on building an oral history collection for Tasman District Libraries, I'd love to have a cup of tea with you and find out more about what you're doing. It's possible that we may be able to host your project within our collection, or in some other way support the work you are doing.

Please get in touch if you're interested in having a chat about our related projects.

Ngā mihi nui,
Pania
