

Report on Community Wellbeing Projects for July 2021 Exec & Monthly meetings

Elena Meredith

Māpua Willing Wheels :

- Checking safety requirements for drivers and passengers – applying for funding to support purchase of first aid kits for cars
- Exploring magnetic strips for advertising on cars
- Exploring further ways of co-operating and sharing costs with Motueka Coastal Community Bus Service including joint publicity (flyers)

Māpua Community Hub :

- *online community directory* – now operational on the MDCA Website ourmapua.org/community-directory/ All groups and services being contacted to ensure that their contact details are correct and complete With thanks to the Māpua and Districts Community Grants Trust for their funding in enabling this project to go ahead and to Connie Sherlock for collecting and collating the data
- *MC Hub working group and MC Wellbeing Trust* working on an agreed format for the legal and working relationship {reporting processes and agreements } prior to any legal agreements or funding applications being entered into or made in relation to the building
- *Planned visit by architect* to help assess state of building and potential adaptations part of data required for feasibility study
- *Strategic planning meetings* working on agreed specific goals and actions plans for the coming 6 months
