In the Masterplan area, Grossi Point Reserve is classified as Recreation Reserve and Ngaio Reserve and Waterfront Park are not vested under the Reserves Act but will be included in the Reserve Management Plan.

A draft Reserves Management Plan for the Moutere/Waimea Ward is currently being written and the draft is scheduled for adoption by the Council in August. The draft will then be open for submissions during September/October with the hearing of submission in November and final adoption of the plan in mid- December.
