For the past year the Executive Committee has been one member down, and as at the July Executive meeting there were two current members who have not yet decided whether they are available for another year on the Executive. Potential this could mean we have three positions vacant, one of which could be the secretaries position.

Being a member of the Executive teams means two meetings each month, the second Monday (except for January) and the fourth Tuesday (except for December).

Māpua is a growing and thriving community and MDCA has been very proactive in its relationship with TDC and with projects that benefit the community as a whole.

MDCA would love you to help us maintain the village atmosphere of our community, work together as a coherent team to attain the best possible vision for our community by finding win / win solutions to the many challenges a growing community faces.

If you have past experience or skills to offer, and are willing to give back or even pay it forward to the community you have chosen to call home, please do not be shy in coming forward. For further information contact Marion via email at [info@ourmapua.org](mailto:info@ourmapua.org), by phone on 5402 618 and/or come along to our AGM.

If you have any nominations please complete the attached form and return to either [info@ourmapua.org](mailto:info@ourmapua.org) or address to MDCA, Mapua Hall, 72 Aranui Road, Mapua before the 6<sup>th</sup> August 2020.
