Hello Neighbourhood Supporters, Group Contacts and Schools, the latest Police report follows, for sharing with others.
NB: This is not for publication on any social media site.

Hi all

Looks like another wet weekend coming up. Be extra careful when driving in the wet.

We have had 2 cyclists knocked off their bikes in High Street in the last couple of weeks. Once a driver simply didn't see the cyclist somehow and turned crashing into them and in the other incident the driver misjudged how close the cyclist was and turned in front of them. This goes on top of an elderly person who got side swiped while crossing Tudor Street in a mobility scooter by a driver who wasn't paying proper attention. All of these accidents were caused by driver inattention or misjudgement.

Please please take care at intersections

2 kayaks stolen from Mapua.

Car battery stolen from a car on High Street near Lowe street.

2 x Drink drivers

Accident- car vs bike High/Tudor street.

8 x Family harm incidents.

Take care out there
