I hope this email finds you all well and keeping warm and dry. What an unbelievably wet winter we have experienced and it seems to always rain on the weekend which means my garden is not looking very good at the moment.

Now that the Long Term Plan is mostly done and dusted, It is time for me to start scheduling the annual catch up meeting for each of you with our CE, Janine and Mayor King.

Before I do that can you please advise if there are any days/times that DON'T suit you. I will look to schedule the meetings early morning – ie 8.30 or 9.00 am on a Tuesday, Wednesday or Thursday.

Let me know if any of these options don't suit.

Another option is that they may come to you if you have something exciting in your area that you would like to show them – weather dependent of course.

And once again, I will be asking you for a list of "local issues" in advance so that Tim and Janine can be prepared for your meeting.

Ngā mihi nui

Hi Wayne,
I am hoping you might be able join me again for this meeting.

Does a Tuesday morning suit you?
As that is the only morning I can make it work at this point.
Cheers Marion

Next week is looking tight for me. Although nothing is anchored down I'm expecting to meet up with 3 subcontractors on Monday, Tuesday and Wednesday. Tuesday is looking the worst so I don't think you can rely on me.

Sorry
Wayne

What about the following Tuesday, 29th, as I don't think it will happen as quickly as next week.

Hi Marion, I didn't read the TDC message properly. Tuesdays are usually ok for me but next week is no good.

Hi Robyn,
August, OK.
This becomes a little more complicated sorry. MDCA's AGM is scheduled to be held on Monday the 9th if August, I have to stand down as chair at this AGM as it will be the end of my three year consecutive stint, which is the maximum permitted for any chair.
I'm still going to stay on as a committee member & with some luck I think I have my replacement lined up.
So if the meeting occurs prior to the 9th, then I could still attend the meeting you are trying to set up with the person, I am hoping will become chair. This should give good continuity for the change over.
Tuesday & Wednesday mornings suit me.
Cheers Marion

Hi Robyn

Anytime is good for me. I should be able to organise any day to suit and probably don't need a site visit.

Cheers, David

Hi Robyn,
I don't mean to be a nuisance, but I am wondering whether there has been any progress with regard to these meeting dates yet, especially considering our AGM is looming.

Hi Marion

Apologies, the LTP has consumed my life of late ☹️ Now that it is out the door, I can concentrate on the day to day stuff.

It's likely that I won't be able to schedule the meeting until after 9 August, however, I've had a chat with Janine and she agrees with my suggestion that the meeting should include you and the new Chairperson anyway. Are you happy with that?

IF so, I'll look at the calendar next week and give you plenty of notice of the meeting.

Regards

Robyn

Hi Paul,

I have been communicating with Robyn Scherer TDC's Secretary to Janine (the Mayor) about another meeting to be scheduled in August. As you will see from the email trail I have been trying to firm up a date for this meeting, especially considering the AGM & my stepping down. Robyn has come back today stating that Janine would like me to attend this meeting with the new chair, which will be you. Before I respond to Robyn's email I just need to check that you are happy for me to attend this meeting with you. Last year I took Wayne with me as he was the Vice Chair. Also let me know what days in August will suit you for such a meeting.

Cheers Marion

Marion,

August works for me - it's too far out to know if any day is better than another but I pretty sure it will be fine.

Hi Robyn,
Thank you for getting back to me.
I have made contact with Paul McIntosh who is making himself available to replace me as chair and at this stage anytime in August suits him. The only days that don't suit me are Tuesday, Thursday and Friday mornings. It would be great to have some prior notice so I can juggle other commitments around the meeting. I look forward to hearing from you once you have a date sorted.
