Hi there Gleen,
I see the fences have now been removed from the playground and I was now wondering whether you have an eta with regard to the other items that still need attending to?
1. Entrance rocks?
Have all the seats been installed and the area around the conifer trees been completed?
2. The bars - have you checked out the distances yet?
I haven't had a close up look at the wet pour area, just observed it as I have driven past. It is really looking good and there are always plenty of parents and their children playing on the equipment.
Cheers Marion

Hi Marion

Yes just getting traffic management plan for the rocks and we will do the planting following that

The bars should be in next week just got the guys really busy n other work

Cheers

Glenn

Thanks for this Glenn,
Are we getting all three bars as per our initial discussion and rough measurements?
Cheers Marion

Two bars sorry and they will be smaller to mid size and leave off the higher given the other frame with bars is very high

Cheers heaps
