Hi Marion

It was lovely meeting you and Mike today. Thank you for taking the time to tell me about your project.

I have attached the following documents to this email:

- The recording agreement that we use (recommended by the Alexander Turnbull Library)
- An outline of the project I am working on

Here is a link to Kete Tasman: [Welcome to Kete Tasman - Kete Tasman \(peoplesnetworknz.info\)](https://www.peoplesnetworknz.info) All the information that we currently hold on Kete Tasman, will be moved to our new website, along with the new oral history collection which I am currently developing.

Here is a link to the [Alexander Turnbull Library's information and guidance around oral history collecting](#). We are basing our oral history methods around these principles.

That's all I have time for today, but tomorrow I'll send some information about grants you can apply for, and more information about our collections policy.

Please let me know if you have any questions.

Many thanks,

Pania
