

## **Community Wellbeing/ Transport Sub-committee Report to August 2021 MDCA meeting**

**Community Hub** – This past month the Māpua Community Wellbeing Trust has worked on a final agreed Trust Deed to provide a formal agreed structure which will enable applications to be made for funding

The working group is supporting the Finance Sub-Committee to collate all the necessary data and supporting documents from other community groups ( Including MDCA) to meet the Sept 1 timeline for applying for funding to run the required feasibility study

### **- Māpua Willing Wheels ;**

This month marks the first full year of this voluntary community service's operation – a significant milestone. We thank Rata Foundation; Māpua Auto Services and MDCA for their support of funding; sponsorship and administrative/financial systems as well as a huge thankyou to Rachel Mason as our stunningly efficient and enthusiastic co-ordinator and the team of voluntary drivers who ensure that “ the wheels keep turning” !! Tumeke koutou !!
