Good morning all,

This is a friendly reminder to let you know there is no record of the Mapua & Districts Community Association (MDCA) receiving your membership renewal for the current financial year.

Membership is \$10.00 per person each year.

Your membership year expired on the 30th June. If you wish to maintain your connection with MDCA and what is going on in our community you will need to renew your membership promptly.

It has never been so important to maintain this connection with your community association, especially now, considering Mapua is one of the communities that TDC has earmarked where some of the districts rapid residential growth is planned to occur.

MDCA have a very good connection and working relationship with our Ward Councilors and TDC. MDCA have been instrumental in making sure the interests of our community are kept in the minds of our districts decision makers. In fact, MDCA have been informed on many occasions by both our councilors, our Mayor, and Janine (TDC's CEO) how the work MDCA undertakes is valued and appreciated by them.

In the past year MDCA have formed a new sub-committee called the 'Mapua Livability Working Group' (MLWG). This group consists of three MDCA Executive members and three members of the community and is actively communicating with TDC regarding safe off road active transport routes, wetlands, significant trees, new road networks etc. At a presentation of the goals of the MLWG to TD Policy & Strategy meeting the concepts the group put forward were very well received.

MDCA executive would like to encourage you to continue your membership so your views can be heard when MDCA are considering what direct to take.

If you have simply overlooked this renewal, I would like to encourage you to make this a priority so as to avoid your details being removed from our data base, which will result in you no longer receiving our meeting information and documents as well as losing your right to vote.

To renew, please do this online to MDCA bank account held with -

NBS account number 03 1354 0356471 00

using the following in the reference fields - Membership / Last Name / Street Name

Once this has been completed please email your full name, full street address, email address, & phone numbers (landline &/or cell) to info@ourmapua.org

Thank you for taking the time to read this and consider your membership renewal status.

Kind Regards

Marion Satherley

MDCA Secretary
