

Report on Community Wellbeing Projects November 2021 Exec & Dec 9th Monthly meetings

Elena Meredith

Māpua Willing Wheels :

- Working on re-opening under COVID level 2 restrictions – QV codes received ; waiting for First Aid Kits enabled by grant from Foodstuffs
- Motueka Community Bus launching Nov 27 – see ad on Facebook as well as info on booking process – local residents able to book for agreed route and stops through Māpua
- Nearly completed application to RATA Foundation for funding for 2022

Māpua Community Hub :

- online community directory –still working on preparing printed paper version
- Meeting with Trustees and architect Nov 24 to view and discuss architect's draft plans for Hub development
- Working on collating the detailed information required to support planned feasibility study

Headlines for Agenda for Dec 9 2021 Monthly meeting

Māpua Willing Wheels

- Planned resumption of Māpua Willing Wheels service under COVID Level 2
- Motueka Community Bus launched 27 November will travel through and stop in Māpua – booking info available on MDCA Facebook – service acting as trial run for planned TDC service 23/24 so important to patronise and indicate the need

Māpua Community Hub

- Report on Nov 24 Meeting with Trustees and architect on draft plans for conversion to Hub
- Feasibility study support material being gathered and collated for funding application to contract such a study
