Attn. Marion Satherley

Good evening Marion

Julian Eggers of Wakefield Community Council forwarded your email regarding your request for more information/procedures etc. for a community survey to our Homes for Wakefield group.

One of our group members, Tony Aldridge, is a retired industrial statistician and the mastermind behind our housing survey. I have copied him into this email. Tony is happy to assist the Mapua & District Community Assn.; please contact him on:

tony@southnet.co.nz

Kind regards
Sonja Lamers
