

## Social Media Report December 2021

Great interest in the Facebook posts this week

Top post by far, and perhaps the most ever was Motueka Coastal Bus opening: 567 engagements

Video of Council Presentations at November Public meeting: 180 engagements

Marion Satherly receiving outstanding community service award: 119 engagements

Neil Chalmers good sorts: 67 engagements

Significant work done during the month to get a robust connection to ZOOM while most people are in the hall. Hopefully this will work so we can continue using the Community Hall next year.
