### **Support for Māpua Memories Project**

It was with great pleasure that I write in support of the Māpua Memories Project being conducted on a voluntary basis by members of the Māpua and Districts Community Association.

The project is valuable to current and future residents of Māpua, to the wider Tasman community, and to New Zealand as a whole. The memories being recorded for the project provide a context for the past, present and future and give voice to the people who have made Māpua a community, rather than simply a geographical place.

Any support that the Rata Foundation could give to this project would be worthwhile and greatly appreciated.

If you have any questions, please do not hesitate to get in touch with me.

Ngā mihi nui,
