Hi,

If the invoice is made out to the MDCA Aileen will pay it. Nice that Cushla is paying half. We can recover that from her.

Hi

Sorry just replying to this message. Great that Cushla is prepared to pay half the cost to replace the batteries and pads. We did speak regarding the batteries being due for replacement Wayne and after our discussion I did not do anything further. Is there anything that you require me to still do?

Kind Regards

Sharon and John Corbett
