2. I Meetings can occur at Red level and TACA requirements around the use of vaccination passports is determined by the venue we use to meet.

The Tasman Church facility remains an open environment for 'blended' participation for all gatherings on-site, so no vaccination passport is required.

This means TACA meetings can occur as long as we abide with the Govt. requirements for no more than 25 people in the space we normally use (which has the required capacity, based on at least 1m physical distancing).

As listed on the Govts. Covid information website today, the mandatory wearing of facemasks is not a requirement under the Red level until the 4 Feb. However we will pre-empt that by strongly recommending the wearing of masks for those in person at this TACA meeting.

All the best . . . see you tonight
