Morena everyone

I hope this message finds you and your family well. What a crazy time we are living in at the moment – I sometimes wonder what “normality” will be like if we ever get back to it ☺

You will recall late last year that Janine and Tim had asked me to plan another “get together” for the community association/resident’s association chairs early this year. With the current COVID environment I haven’t even thought about what we might do so let’s just wait and until things settle down, hopefully in a few months and when we know we can meet face-to-face.

In the meantime, I will keep you updated on relevant Council business. Today I’ve attached to this email a report around the Three Waters reform programme that will be presented to the Council this Thursday, 24 February. It provides a good update on the reform programme and what it means for our communities. I hope you find it useful. The report is up on our website so feel free to share it with your community.

Best regards

Robyn Scherer
