Hi Jamie,

We had a community meeting last night and I was asked to advise you that the newly grassed area has been vandalised by someone driving across it in the wet. Now is probably the best time to smooth it out given that there is good moisture there.

We also wondered if some sort of barrier should be installed to stop hoons repeating the vandalism? Perhaps something temporary until the remediation is completed?

Hi Wayne

Thanks for that, I've passed in onto the applicant for them to tidy it up

Cheers

Jamie
