Robyn,

I hope you are keeping well.

At MDCA's last meeting with Tim and Janine, I raised the possibility of TDC helping out with the costs of conducting a **Community Survey**. Janine replied that they may be willing to provide "support-in-kind" - such as helping out with printing/photocopying hardcopies of the survey and/or advertising/promoting the survey in the NewsLine publication.

Our Community Survey is now ready to go-to-print - our plan is to send the Survey out to all MDCA-TACA members via email, as well as distribute flyers (~3000) to mailboxes and place notices in local newsletters (Coastal News etc) with the QR Scan code that will direct residents to the Survey Monkey online survey. We will also have ~500 paper copies available for pick-up / collection at local businesses for those residents that prefer/need to complete the hardcopy survey.

Therefore could you please reach out to Tim and Janine (or her deputy as I saw that Janine will be out on a 1 year secondment to DIA) to see if they are still willing to provide such support.

I look forward to your earliest response.

Thanks in advance for your support.

Best regards,
Paul McIntosh

Robyn,

Have you had a chance to discuss this with Tim?

We are hoping to start printing the surveys this week so a quick answer would be much appreciated.

Hi Paul

I'm sorry but this is the first I've seen of your email sent on 16 March. I never received it.

However, I'm copying Chris Choat (our Communications and Change Manager) into this response. He is best placed to respond to your request.

Regards

Hi Paul

I have spoken to Chris Choat and yes, we will help with printing and with an article on Newsline and on our social media. Newsline is being prepared now so if you could send me a short article on the survey, we will include that.

Re the printing, you can manage that through me.

Robyn,

That's great!

I will send you the Newsline Article asap. I have a draft article I will circulate this evening to the Exec members working this then can email to you tomorrow - is that ok?

Also, Lou Gallagher can send you a PDF of the Survey for printing, with instructions regarding double siding etc.

Once again, thank you so much for that support.

Hi Robyn.

Fantastic that the TDC is supporting us with printed copies of the community questionnaire!

I have attached the pdf of the questionnaire to this email.

It looks good from my computer, but if you have any questions please get to me.

Best regards,

Lou
