Good morning Nick,

I hope you are well.

On behalf of the Mapua & Districts Community Association I would like to thank you for meeting with me to determine a permanent location for, then following through with the installation of the Aquarium Plaque to commemorate the sad loss of 'Touch the Sea Aquarium' due to the devastating fire in 2011.

I personally appreciate your friendly manner and your ability to find a workable solution in the face of some initial hurdles.

Many thanks.

Kind Regards

Marion Satherley
