

Māpua and District Community Association exists to ensure that Māpua, Ruby Bay, Māhana and Bronte neighbourhoods are safe, responsible and forward-looking communities in which to live.

We encourage all our residents to attend our regular monthly meetings (second Monday each month, except January) at 7pm at the Māpua Community Hall, 72 Aranui Road, Māpua. Come join us and learn what's happening in our special community and how you may want to contribute.
