Hi all,

agenda, financials and minutes of last meeting are attached.

We will be meeting in person again upstairs at the Tasman Church. There may be some folk who still would like to be in attendance via Zoom. Please let the secreatry know and a link will be emailed to you.

As a point of note, the committee members email addresses have not been Bcc'd due to prior approval. There are several other addresses of folks who wish to be informed of TACA meetings and minutes via this email and they have been blind copied.

Kind regards

Greig Caigou
Secretary
