Thanks Colin,

If you want to see a video recording of the night go to our facebook page: <https://www.facebook.com/MapuaCommunityAssociation>

That way you can make your own mind up rather than relying on neighbours.

Note that the video is in 2 parts as the recorder was interrupted with a phone call half way through. Also the audio isn't the best near the beginning, but it gets better later.

Subject: Last night's meeting

Hi,

I am concerned to have received several reports from neighbours that Paul did not properly represent the interests of the Community last night. They all felt that he was siding with the developers, not the residents.

These reports concern me as it appears to be undermining the credibility of MDCA.

Unfortunately, I was not at the meeting as I have serious concerns about the lingering threat of Covid and I am avoiding large gatherings.

Cheers

Colin Walker
