Your name: Mary-Ann Hardcastle

Phone number:021790967

Your question:

Hello. I work for the PHO ,(primary health care) based in Richmond. Am I able to provide communication information session in Mapua about advance care planning? If so, can I send some information about what this is to you for consideration?

Thank you

Good afternoon Mary-Ann,

Thank you for your email.

Our next MDCA meeting is two weeks away. I will put your presentation request forward at this meeting.

Do you intend this presentation to be a follow up to the presentation that was undertaken to the Mapua community a couple of years ago?

Kind Regards

Marion Satherley

MDCA Secretary

Kia ora Marion

Thank you for contacting me.

Carla may have done ACP talk but she has left. I am the new Facilitator.

I have been doing some community engagement through age concern. I usually do a 10 to 20 minute introduction to ACP and leave resources. Then happy to come back and work with a group, up to 10 people, and work through the book and questions. This usually takes 1.5 hours.

I am going to see if I can do something at Mapua library too.

Happy to fit in with the community need.

Kind regards

Maryann
