

Māpua and Tasman Community Survey 2022

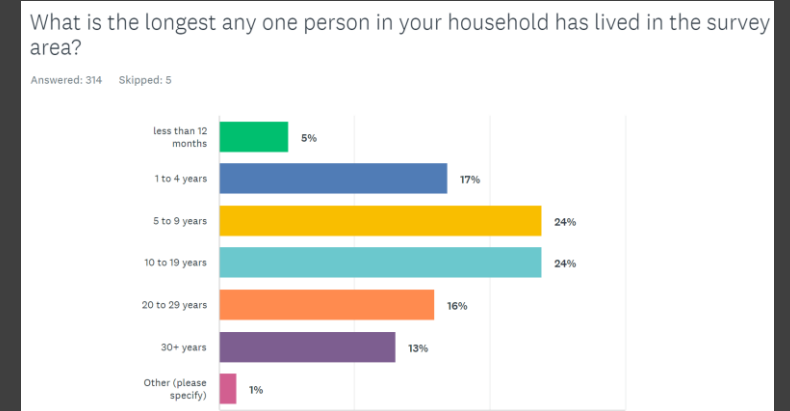

This survey was coordinated between the Māpua and Tasman Districts Community Associations from March 14 to April 15 by confidential email and paper entries. Number of responses = 319.

Describing respondents

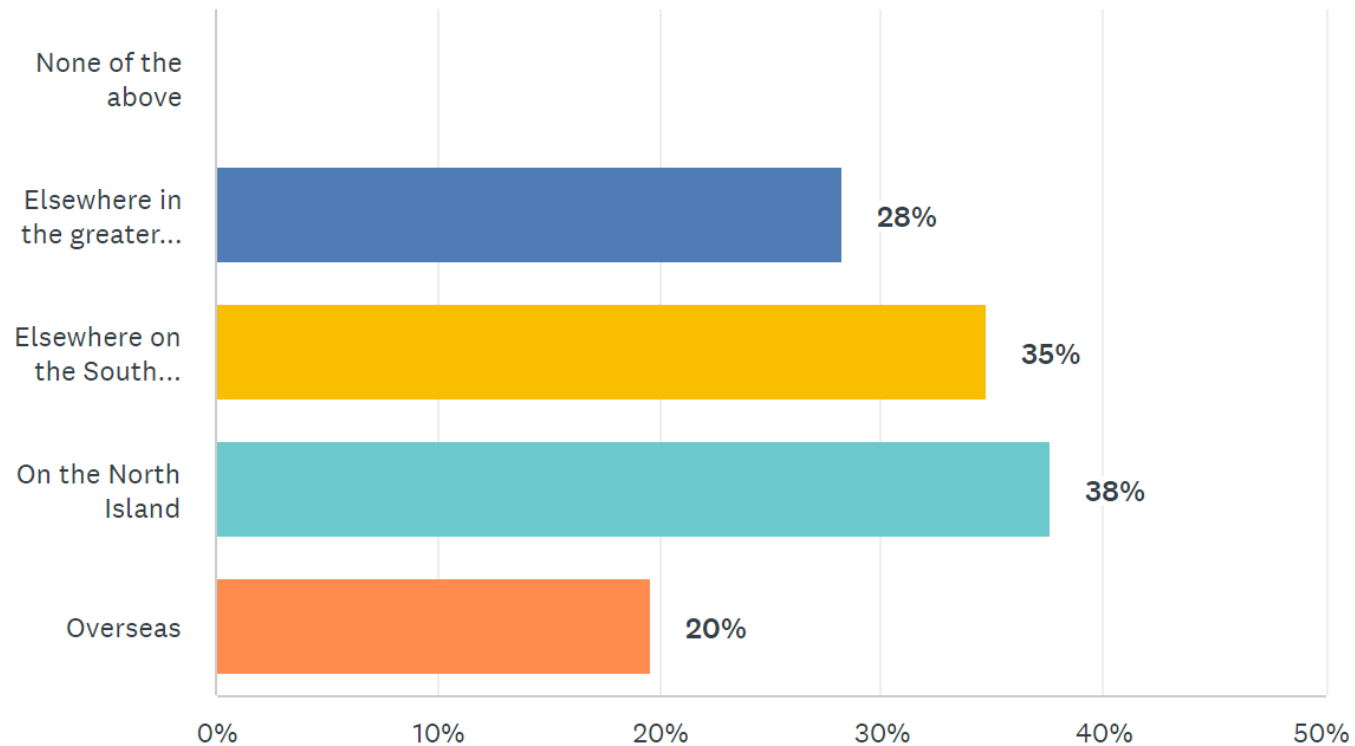

Age Group

- Roughly 10% of the local population responded to the survey with limited participation from those under 50 years old
- 51% of respondents were 65+
- Half of respondents have lived in the local area for 10 years or more:

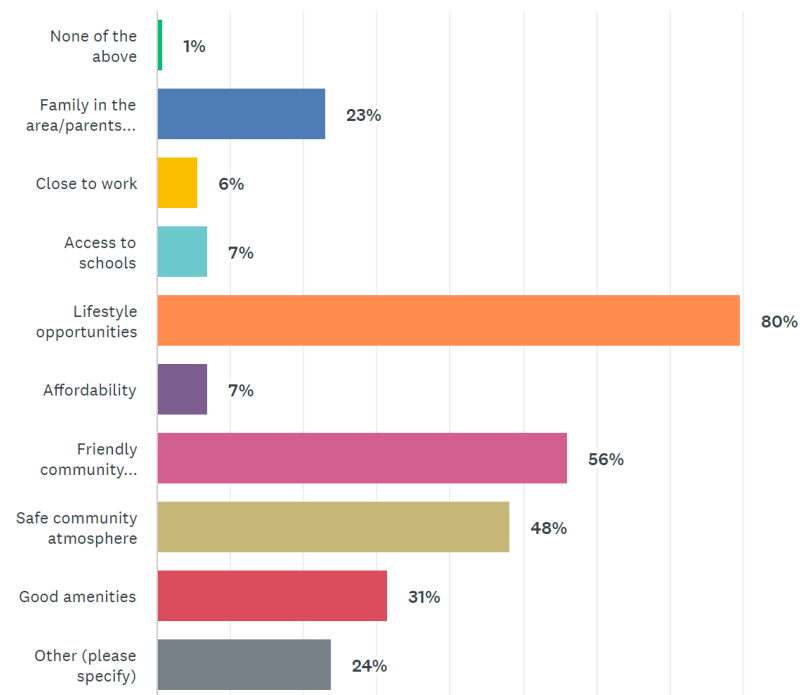

People who moved here in the last 10 years came from the North Island, elsewhere on the South Island, from other parts of the Nelson Tasman area and overseas.

They moved here for the lifestyle and 'village feel'

If you moved to this area in the last 10 years, what were the main attractions?
Tick all that apply

Answered: 143 Skipped: 176

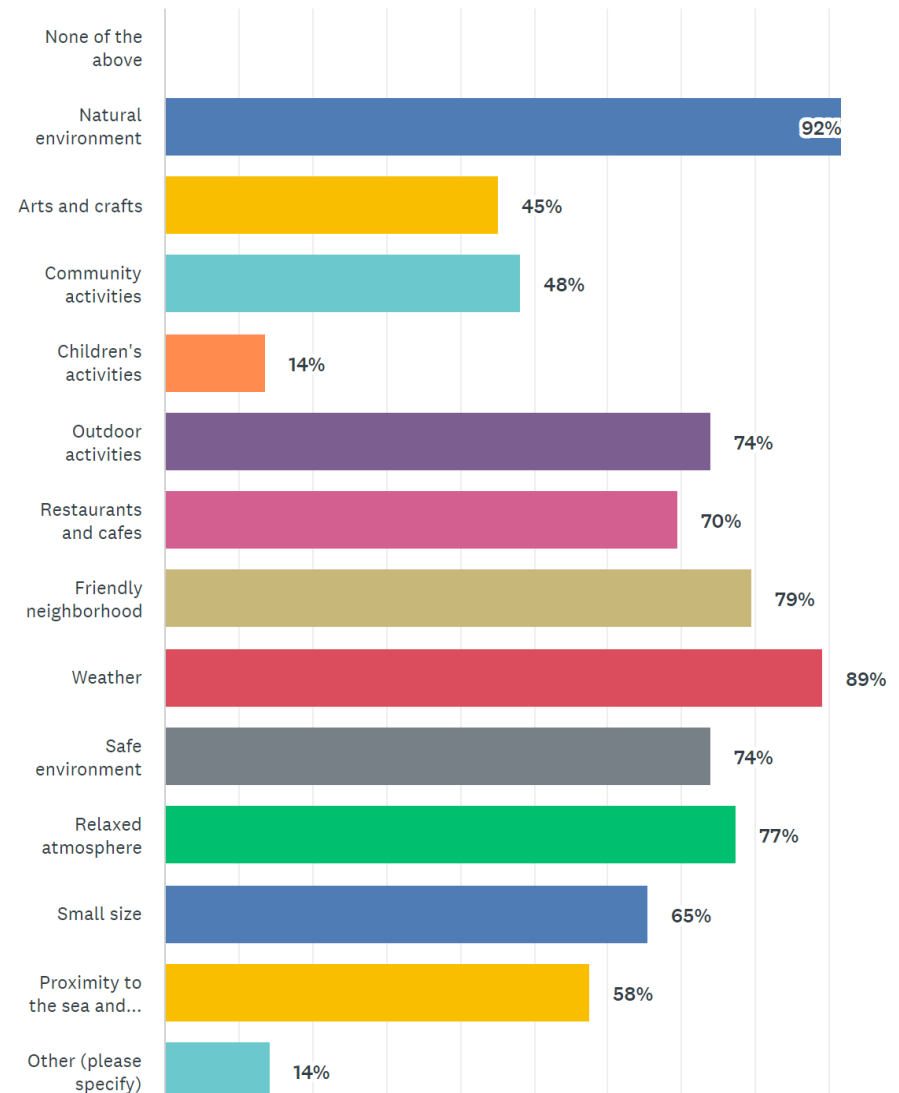

- Walking, gardening, cycling and swimming are the top activities people enjoy in this area.
- Tramping and boating/surfing, bird watching, art and fishing are regular activities for over one quarter of the population
- The Natural environment is valued higher than all else by respondents.

What people value in the local area

What do you value about living in this area? Tick all that apply

Answered: 292 Skipped: 27

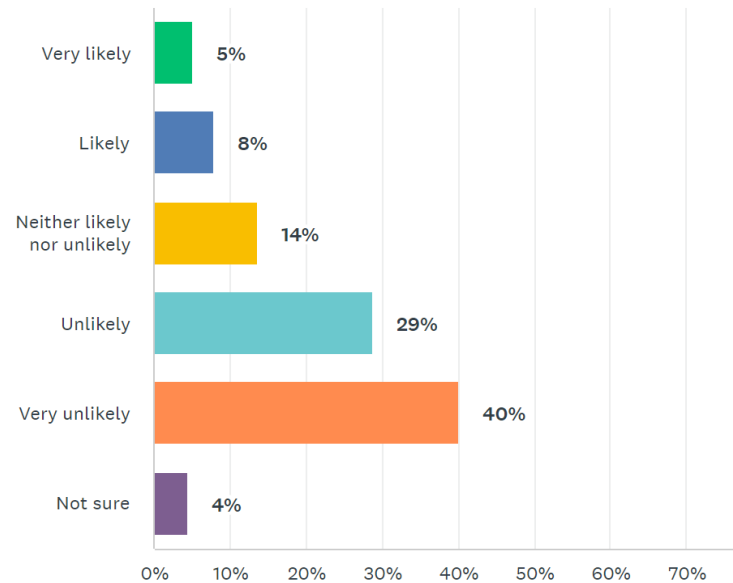

People who live here don't want to leave

- Less than half the respondents plan to move in the next 5 years and they want smaller homes

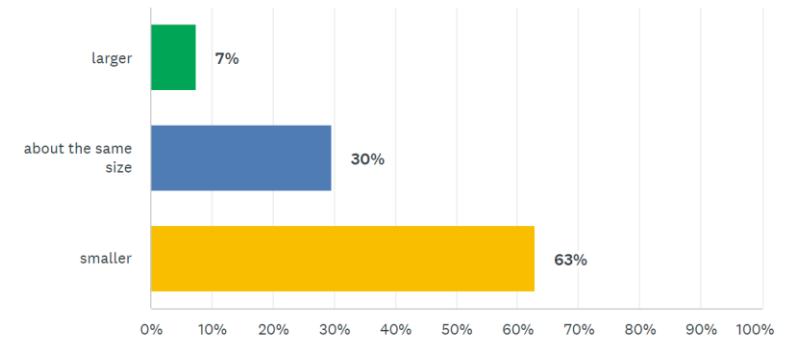

How likely are you to move in the next 5 years?

Answered: 292 Skipped: 27

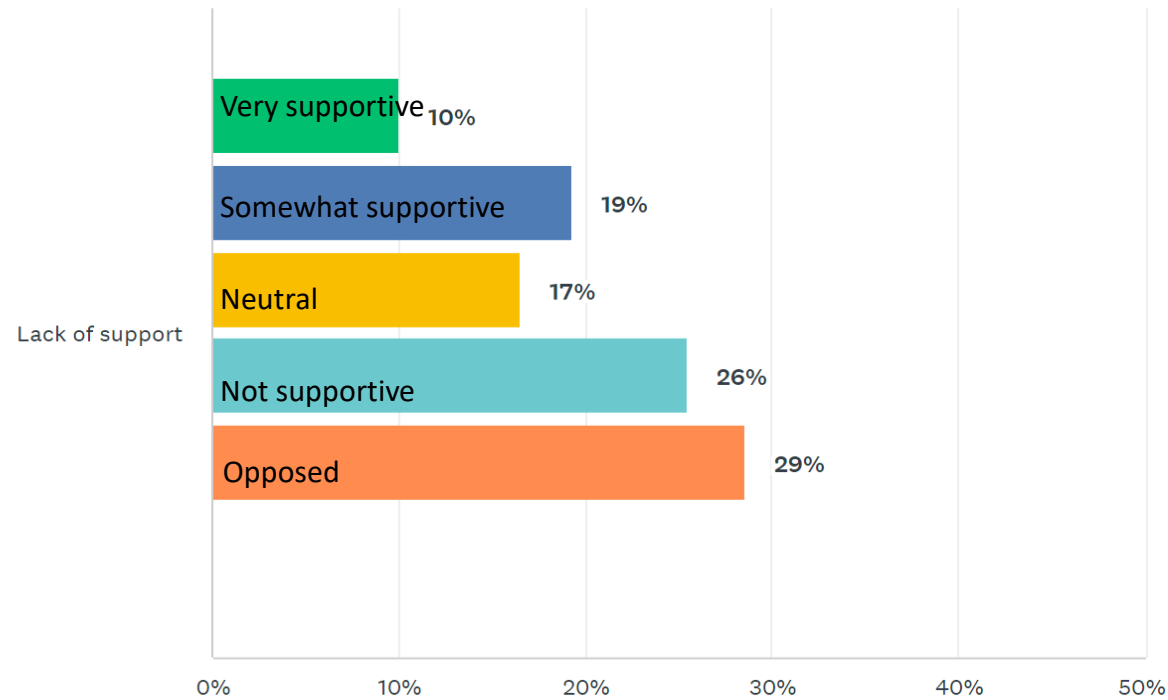

If you are planning to move in the next 5 years, will your next home be

Answered: 162 Skipped: 157

New housing is expected to double the number of local residents in our area. How do you feel about the need to build more housing in this area?

Answered: 290 Skipped: 29

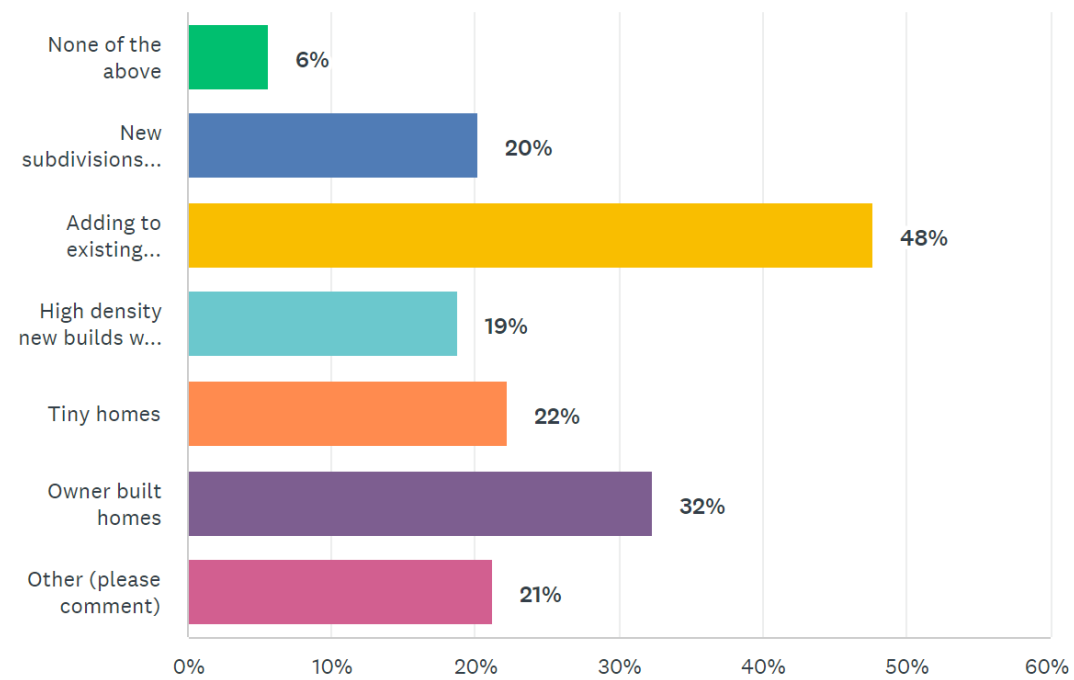

Less than one third of local residents are supportive of new housing builds in this area.

Over half of residents (55%) are not supportive and opposed to new housing.

We don't want new subdivisions – we want new housing added to existing residential areas with mixed density and owner-built homes

If residential development must proceed in Māpua and Tasman Districts area, would you rather see
