Kia ora Paul

Thank you for your application to the annual Covid-19 Grant.

The Community Grants Subcommittee recently met to consider 35 applications, requesting a total of \$170,854.

I am pleased to inform you that the Māpua and Districts Community Association

application was supported and \$500 has been allocated towards towards Annual Zoom subscription and speaker, microphone, cables.

As you are not GST registered and have provided your bank account details, I will send this information to our finance team and \$500 will be deposited into your account.

I will email an accountability form, which must be completed and returned with copies of receipts or supporting documents when the project is complete.
