Vincent,

Any help from the community is always welcome.

Best regards,
Paul McIntosh

Hi there,

I attended the feedback session this evening for the proposed housing development. Many thanks for facilitating.

I believe it would be really helpful to collate the feedback, even reviewing the video recording, and putting it in a document made available to the community. That would be a great snapshot and overview of how the community feels. I'd be happy to help collate all this if you need.

Kind regards
Vincent Revell
