Good morning,

We hope this email finds you all well.

We have been contacted by TDC for this planned meeting, just wanting to know if you have been contacted and will you be advertising this on your social media pages etc?

I look forward to hearing from you soon.

**Subject:** Mapua Structure Plan Meeting

Hi Richard,

Further to my phone call, the Mapua Structure Plan Project Team would like to meet with business owners within Mapua Village to seek their input on the Mapua Structure Plan. We are hoping to meet on **Tuesday 6<sup>th</sup> September** at either the Richmond Offices or a suitable venue in Mapua anytime between 9.30am and 12pm. If this date is not suitable please let me know some dates or times that might work better as I do understand that a day meeting may not be suitable.

The meeting is to seek input from you as part of the community on what you consider to be the key issues for Mapua moving into the future, so we can test what we have gathered from background documents or heard through community channels to date. The intent of the meeting is to better understand the needs and concerns of a specific part of the community ie: business owners. I have attached some information about the Structure Plan and the meeting objectives and the 2010 Mapua Structure Plan.

Please give me a call if you have any questions.

Regards

Anna

Kirsten,

Yes MDCA has been part of TDC's process to update the Mapua Structural Plan and has already meet with Anna Mckenzie and their consultants as part of the pre-engagement process.

TDC is now conducting meetings to seek one-on-one feedback from key community and infrastructure stakeholders, and the 6th Sept meeting with MDBA is part of this process.

A Community Meeting to seek feedback from the general public is planned for November and MDCA will promote this event.

I hope this helps.
