Hello Paul,
This is the letter I've sent to the Council's storm water Managers after the short discussion last evening.

If there is a particular month you prefer for a meeting, please let Wouter or Dwayne know. (I've included the next 3 months to be on the "safe" side!)

A good meeting last night, although disappointing not to have a willing Secretary.

Regards,
David Ogilvie

Subject: Mapua-Ruby Bay-Coastal Areas

Morena Wouter,
At last night's Mapua & District Residents Association the Tonkin/Taylor stormwater investigations relating to their were briefly discussed.

The Assn requested whether representatives of Tonkin/Taylor & the Council would do a presentation to a monthly meeting — Sept 12th, Oct 12th or Nov 14th. Their meetings commence at 7.15 pm.

The format would likely involve a 10 minute presentation, with 10 minutes for questions. The Assn considered an outcome could be the formation of a stormwater sub-committee to engage actively with the consultants & the Council in preparation of the Stormwater plan for the area.

Regards,
David Ogilvie

PS. Please note—further communication re the presentation to be referred to Paul McIntosh, Chair of the Assn at <info@ourMapua.org>
