Kia ora Aileen

Thank you for your application to the annual Community Grants Scheme which closed on 31 July 2022.

The Community Grants Subcommittee recently met to consider 131 applications, requesting a total of \$498,107.87

I am pleased to inform you that the Mapua and Districts Community Association application was supported and \$863.90 has been allocated towards Upkeep of AED in Mapua and Ruby Bay.

As you are not GST registered and have provided your bank account details, I will send this information to our finance team and \$863.90 will be deposited into your account.

An accountability form, which must be completed and returned with copies of receipts or supporting documents when the project is complete (or before 30 June 2023) can be found on our website here [Forms | Tasman District Council](#)The Tasman District Council logo should be displayed whenever appropriate to acknowledge our support. A range of our logos can be downloaded using this link <https://www.tasman.govt.nz/my-council/about-us/media-centre/council-logos/>

Please note allocation from Council does not remove your responsibility to meet any compliance licensing or permissions regarding Council facilities and regulations.

Council would like to thank your organisation for its contribution to the community and wish you well with future projects.
