Kia ora!

You are invited to help shape the future of the Waimea Inlet.

The Management Strategy that was developed by the community and adopted by agencies in 2010 is being reviewed.

The Action Plan that the community and agencies have been implementing is also being reviewed. This spanned 2019 to 2021.

These two have been combined into one document. The core vision for the Inlet remains essentially the same, but a lot of detail has been added.

Attached are:

- a report on the progress made over the life of the Action Plan
- the proposed revised Management Strategy and Action Plan.

Your comments will be treated as a submission and used to help refine the proposed Management Strategy and Action Plan. All comments are public statements and may be quoted in the review process.

Comments should be made at <https://www.tasman.govt.nz/my-council/public-consultation/submissions/> by 14 March 2023.For more information email Pater Lawless who is leading the review process at [peter@phoenixfacilitation.co.nz](mailto:peter@phoenixfacilitation.co.nz).

Please forward this message to anyone you think may be interested.

ka kite ano
