To: Torrent Bay Township Committee <darrylthomas@xtra.co.nz>, "Murchison and Districts Email: tim@rivers.co.nz Community Council" <tim@rivers.co.nz>, Moutere Hills Residents Association Incorporated <secretary@mhra.org.nz>, Tasman Area Community Association <secretary@tasmancommunity.org.nz>, Wakefield Community Council <sonia@allaccounts.co.nz>, Motueka Valley Association <info@mva.org.nz>, Tapawera and Districts Community Council <TapaweraTDCC@gmail.com>, Dovedale Residents Committee <manaroa11@gmail.com>, "Mapua and Districts Mil: Community Association" <info@ourmapua.org>, Brightwater Community Association <secretary.bgwca@gmail.com>, Paul Taylor <ptaylor05@gmail.com>, Motueka Community Board <mcb@tasman.govt.nz>, Golden Bay Community Board <gbcbb@tasman.govt.nz>, Deb Skilton <marahau.sandybay@gmail.com>, Debbie Christie <debbcn@icloud.com>

For your information and hopeful attendance:

April 4th NSS and NAS combined meet with a local DS advocate. **Dr Ellen Cieraad on 'Is Aotearoa losing its dark sky cloak? Impacts of artificial light at night on the environment'.**

When: Tuesday April 4th, from 6.30 to 8.00 pm.

Where: Pūtangitangi Greenmeadows Centre, Main Road Stoke.

Gold coin donation please

Dr. Ellen Cieraad, Te Pukenga/Nelson Marlborough Institute of Technology, is a quantitative ecologist. Her research projects are centred around the impacts of human activities on biodiversity and ecosystem functioning, including the effects of climate change, pesticide use and light pollution.

Your invite from the Top of the South Dark Sky Committee.

Ralph
