Hi Paul
Here are some diagrams below, and attached is a letter for property owners near the bus stops in the Mapua town centre.

[155 Stafford Drive](#) – trying to find a mid-point in the Ruby Bay area

Near Mapua School

Outside [151 Aranui Road](#) – not ideal but it has been difficult to find a location on this side of the road that does not remove parking. A bus stopping here would temporarily block access to some of the adjacent angled parking. However this would be for a very short duration (matter of seconds probably), up to 4 times a day. If this were to be a popular stop, we would look at investing in improving it.
