Thanks Jamie.

I will forward this to the Exec and share with Members at our next Public Meeting in June.

Do you have an exact location for the stops on a more detailed street map?

Regards,
Paul

Hi Paul

We have been working on draft bus stop locations in preparation for the new public transport services, starting on 1 August 2023.

Attached is a broad overview of proposed stop locations. There will be a bus stop on each side of the road at each location, as the bus route travels in both directions. We are trying to get coverage of the wider area so that people won't have to walk too far to get on or off the bus.

We have sent letters to property owners adjacent to these sites seeking their feedback.

The Council will consider the feedback, and make decisions on final bus stop locations at a full council meeting on 22 June 2023.

If you or the Association have any comments re bus stops in general, it would be great to have those as soon as possible. An answer to an obvious question is, at this stage we have not planned to have the bus go to the wharf area. This is something we could look at in the future, but for now the route scheduler is already concerned that the time the Motueka-Mapua-Richmond route will take is at its upper limit without requiring extra buses (big \$\$).

Best regards

Jamie
