Hi Jane,

At last Monday's Mapua Districts Community Association Exec meeting we discussed the location of the proposed bus stops in Mapua.

We discussed 4 things:

Will there be bus shelters at the proposed bus stops?

Where will the bus stops be on Aranui Road?

Is there any possibility of the bus service extending to the Mapua wharf especially during the busy holiday season?

How flexible is TDC with regards to community input on where the bus stops should be?

Please let me know if you have the answers. Please cc to info@ourmapua.org

Thanks,

Bruno Lemke

Hi Bruno, thanks so much for your email. I have some answers to your questions:

1. We are still in the process of finalising the details of the bus stops so I can update you in a couple of weeks.
2. Regretfully at this stage we are not putting bus stops at all stops initially. We are first rolling out the new services and then as funding becomes available, we will be installing bus stops.
3. Stage one does not have the bus running to the Wharf. Once we have the new services established, we will be looking at different ways to extend the route as part of the updated Regional Public Transport Plan.
4. Our engineers have been getting community input into bus stops and the location of which is being finalised very very soon. If you have any direct feedback, please email Bibash as he is collating this information.

I hope that this helps

Kind regards

Jane
