Hi all,

Soon, we'll upload the latest design to the Working Group Shape Tasman page so you can take a look. [Māpua Streets for People project - Aranui Road | Streets for People | Shape Tasman](#)

Working group meeting Wednesday 7 June at 4.30pm – Mapua Community Hall.

At next week's working group session, we want to get back into the creative space. Although we will start with a general update, we want to keep this brief.

Then, we will set up workstations for the following areas:

- Street Art
- Pedestrian Plazas
- Parklettes
- Bike Parking
- Miscellaneous

Some inspiration examples will be provided. The idea is to have a bit of fun and be creative. We want you to go to the workstation that resonates with you and work together to doodle on Aranui Rd maps, which we will provide. We'll collate these and keep them as reference material to complement the feedback we get from the public during the Stage 1 implementation process.

Look forward to seeing you then.

Thanks in advance.

Just adding the right link to the korero page - <https://shape.tasman.govt.nz/index.php?cID=608>

Have a great long weekend 😊
