Many thanks to Jim Vause for his excellent article in June Coastal News re the Super Liquor hearing that was to be held in May.

I am a resident in Mapua, residing in Pinehill Road I regard mapua as my community as I shop in the village. However so I am deemed not a substantial person to object to the liquor stores proposed for Mapua I think due to the distance Pinehill Road is from the proposed Liquor stores. No matter that I am still a community member!!

I did put in a submission objecting to both the new stores.

I was intending on going to the Super Liquor hearing at the Motueka Library to support the speakers.

I agree we should not have to stand up in a court situation and be questioned by lawyers.

I read in the Nelson Mail where the liquor council were putting more emphasis on the community in granting liquor licences. I think the community of Mapua have let it be know - by the number of objections - that we do not want a liquor store as a feature point at the entrance to our village.

I am awaiting the announcement of the new hearing date and venue but am afraid that I and the public of Mapua will not know about it.

I would like the hearing date to be advertised in several places around/in Mapua so that community members have the chance of supporting the objectors by being present at the hearing.

Could you please let me know if you know the date of the hearing or if it is to be advertised around our village.

Many thanks for your good work so far in trying to let our community be aware of what is going on. There are those who wish us to be kept in the dark until it is too late!!

Kind Regards, Heather Olds
