John,

Thanks again for showing up in numbers at Mondays meeting. We know you all have busy schedules and long days at times too, so our members appreciate the effort.

Happy for any feedback you are willing to provide on how we can mutually improve communications - just let me know when you are ready to share.

Best regards,
Paul.

Hi Paul thanks for having us at your meeting last night.

I am very conscious that we work in this business everyday which can mean we have communication blind spots - I am really keen that we have a trusting relationship and so I am keen to explore what good looks like, I think you have other things going on so what if I was to put some ideas down and test it with you and your members?

I also am aware that council is a bit part in what your organisation does so don't want to dominate the agendas!

Thoughts?
