Hi Christeen,

The last two meetings were cancelled by the chair David Loe after discussion with Grant Reburn due to several members not being able to attend and/or no new agenda items or updates/changes to existing action points.

I only manage the email correspondence and document distribution so can't comment on the future of the group. That would be for management to determine after the new masterplan group was fully established.

Kind regards,

Jane

Hi Jane

I have been asked by the Mapua Community Association to find out why the last two meetings of the Waterfront working group have been cancelled and what the future of the group is given there is a separate process now to develop the Mapua Masterplan.

Do you have any information that I can pass on to the Association to keep them informed?

Regards,  
Christeen

Thank you Christeen for following this up.  
I really appreciate it..

It is a pity though that this information was not conveyed to all members of the working group without having to trouble you to follow this up.

Thank you  
Regards Marion

Hello Christeen and Marion,

Would you please consider sending this to the remainder of the Mapua Waterfront Area Masterplan working group ?

They also would benefit from knowing whats going on.
