Hi Mike,

Thanks for the update. I've reached out to our comms team to see what we could reasonably do as a wider distribution of the flyer. I'll come back to you.

We will be putting up some signs along Aranui Rd shortly too. All information is also available on the TDC Shape Tasman page.

Looping in Joe Bywater too, as I am on leave from next week and he will be covering the 4-weeks I am away.

Hi Vincent,

Yes this was on the agenda.

Without going into details, the project still has a long way to go to win over a lot of residents. The same old arguments reared their heads

I was asked last night to get the flyers delivered to the remainder of the village and outlying areas.

Can you please arrange for the flyers to be delivered to the village as well as the likes of Seaton Valley Road, Pine Hill, Pomona Road, Dominion Road etc ?

If you can't arrange this, please let me know, together with reasons why not, as I will have to front the MDCA again with reasons why not ?

Regards

Hi Mike and Christeen,

Thought I'd check in and see how the meeting went last night. Was there any mention of SfP?

Thanks
